Please read all **your policy** documents carefully to understand the cover **you** have bought and the restrictions and exclusions that may apply.

Any leaflets or similar literature **you** receive about this insurance do not form part of **your policy**.

You have the right to cancel **your policy** at any time during the term of **your** cover. Please see 'General conditions' later in this Policy Booklet for further details on how to do so and the terms that apply.

Please keep **your Policy** Booklet and related documents in a safe place as **you** may need to refer to them if **you** want to make a claim or need assistance.

Meaning of words and terms

Certain words or expressions appearing in your policy, Schedule and Statement of Insurance have been defined, and they will have the same meaning wherever they are used unless otherwise specified.

accident

A sudden or unforeseen event resulting in physical damage, trauma or **injury**.

alternative medicine

Means herbal or homeopathic medicine.

complementary medicine

Means physiotherapy, acupuncture, osteopathy, hydrotherapy and chiropractic **treatment**.

condition

Any **illness** or **injury** (or symptoms of these) whether or not it results in a diagnosis.

Recurring and/or chronic conditions shall be considered as one loss.

Such conditions are defined as:

- clinical manifestations resulting in the same diagnosis (regardless of the number of events or areas of the body affected) to which **your pet** has an ongoing predisposition or susceptibility related in any way to the original claim; or
- conditions which are incurable and likely to continue for the remainder of **your pet's** life.

co-insurance

The amount **you** are required to pay toward the costs of the veterinary fees. This amount will be deducted from the claims settlement after the excess. This will include any standard or voluntary **excess/es** as detailed in **your schedule of insurance**.

Example of how to calculate the amount **you** will have to pay in the event of a claim.

A valid claim arises for Veterinary fees totalling £300

Standard **excess** on **policy** £75*

Co-insurance is of Veterinary Fee 10%*

Therefore:

£300.00 (claim amount) - £75.00 **Excess** = £225.00

£225.00 (claim amount minus **excess** /10% (**co-insurance**%) = £22.50

£225.00 (claim amount minus **excess**) - £22.50 (**co-insurance**£) = £202.50

Totals:

So in this example

You would pay £75.00 (**excess**) + £22.50 (**co-insurance**) = £97.50

The Insurer Pays = £202.50

Claim total settled = £300.00

*Please refer to your schedule of Insurance for your Co-insurance and Excess amounts as the above are purely examples and the actual amounts will vary.

- The **policy** is an annual contract of insurance that can be paid monthly. If the premium is paid under a monthly instalment option and a claim has been settled during the **period of insurance**, **you** must continue with the instalment payments.

Alternatively **we** will deduct outstanding instalments from any claim payment that may be due to **you**. If the annual payment option is chosen and a claim is paid, no premium will be refunded if cancelled during the same **period of insurance**.

Provided there has been no claim or **incident** likely to give rise to a claim during the current **period of insurance** and **you** cancel **your policy**, **we** will calculate the proportionate premium for the period **you** have been insured and refund any balance. If a claim has been submitted or there has been any **incident** likely to give rise to a claim during the current **period of insurance** no premium refund will be given.

- **We** or **esure pet insurance** may also cancel this **policy** by giving 7 days notice to **you** at **your** last known address.

- **We** have the right to terminate this **policy** with immediate effect in the event that **your** premium is not received 10 days after the due date.
- If **your vet** and **our vet** disagree about any veterinary issues connected to **your** claim. **We** will appoint another **vet** as an independent expert that **we** both agree to use and who's decision **we** both agree to accept.
- In the event that you wish to amend cover from **Pet Insurance** to **Pet Plus** or vice-versa the replacement **policy** will be considered as a new contract and therefore any **incident(s)**, that occurred prior to the inception of the replacement cover will be considered as **pre-existing** and excluded from cover.

Claims conditions

You must comply with the following conditions to have the full protection of **your policy**. If **you** do not comply **we** may at **our** option cancel the **policy** or refuse to deal with **your** claim or reduce the amount of any payment made.

- In the event of any possible claim under any sections of this insurance **you** must notify **esure pet insurance** as soon as possible and no later than 60 days after discovery of any possible **incident** likely to result in a claim.

Telephone: 0845 606 1390*.

If **you** do not contact **esure pet insurance** within 60 days of discovery of the **incident** and this prejudices **esure pet insurance**'s ability to verify the claim then, other than in exceptional circumstances, **esure pet insurance** will be unable to deal with your claim.

- If any liability under this insurance is covered by any other insurance **policy we** will not pay more than **our** rateable proportion.
- Following a claim **we** shall be entitled to take over and exercise any rights in **your** name against any other party for **our** own benefit and at **our** own expense to recover any payment **we** have made under this **policy**.
- **You** must not act in a fraudulent manner. If **you** or anyone acting for **you**:
 - Make a claim under the **policy** knowing the claim to be false or fraudulently exaggerated in any respect.
 - Make a statement in support of a claim knowing the statement to be false in any respect.
 - Submit a document in support of a claim knowing the document to be forged or false in any respect.
 - Make a claim in respect of any loss or damage caused by **your** wilful act or with **your** connivance.

Then:

- **We** shall not pay the claim.
- **We** shall not pay any other claim which has been or will be made under the **policy**.
- **We** may at **our** option declare the **policy** void.
- **We** shall be entitled to recover from **you** the amount of any claim already paid under the **policy** since the last renewal date.
- **We** shall not make any return of the premium.
- **We** may inform the police of the circumstances.
