## Essential

SINGLE TRIP & MULTI TRIP

For policies issued from  
30th April 2020 to 30th November 2020

**This policy was not designed to cover known or publicly announced events. As such, except for section 'If you need emergency medical treatment abroad', there is no cover for Coronavirus, COVID-19, Severe Acute Respiratory Syndrome (SARS-COV-2), any mutation of Coronavirus, COVID-19 or SARs-COV-2 or any pandemic or fear or threat of any of these.**

This policy is arranged and administered by Hood Travel Limited and is made up of a number of different sections offering different types of cover provided by different insurers as shown on page 3 (and again on page 38) and brought together to create this product for you.

It will depend on which policy you have purchased (plus any upgrade options) and the premium you have paid as to which sections of cover in this policy wording actually apply to you.

Hood Travel Limited is authorised and regulated by the Financial Conduct Authority, FRN 597211.

# About the policy

- i. This policy is a legal contract between us and you, and is subject to the exclusive jurisdiction of the courts of England and Wales.
- ii. Any legal action or proceedings arising out of or in connection with this policy will irrevocably submit to the exclusive jurisdiction of English Law and the English Courts.
- iii. All communications from us will be in English.
- iv. Travel insurance policies have specific requirements for both purchasing and making successful claims.
- v. This insurance document shows details of your travel insurance policy and any additional policy extensions, including the sections of cover, limits, conditions and exclusions. It also tells you what you need to do should you have to make a claim. Please take the time to read and understand it straight away as not all policies are the same.
- vi. We will settle all claims under the law of England and Wales.
- vii. We will only pay a proportionate amount of the claim where there is other insurance in force covering the same risk and we will ask you to provide details of such other insurance.
- viii. We may take over and deal with, in your name, the defence/settlement of any claim made under the policy.
- ix. We may take proceedings in your name, but at our expense, against the responsible party to recover, for our benefit, the amount of any payment made under the policy.
- x. We will pay for any insured event, as described in the policy, that happens during the period of insurance and for which you have paid the appropriate premium.
- xi. Each section clearly shows what you are, and what you are not, covered for. If your circumstances do not fit those described, then there is no cover in place.
- xii. Once the policy has been issued you must understand that no alterations and/or additions to the printed terms and conditions of your policy are valid unless made in writing by us.
- xiii. There is **no cover** under this policy for any claims as a result of Coronavirus, COVID-19, Severe Acute Respiratory Syndrome (SARS-COV-2), any mutation of Coronavirus, COVID-19 or SARs-COV-2 or any pandemic or fear or threat of any the above. Except for Section 'If you need emergency medical treatment abroad'. This will only apply if you did not travel against the published advice of the FCO, any local government, local authority or the World Health Organisation (WHO).
- xiv. There is **no cover** under this policy for cancellation, abandonment or curtailment claims if the Foreign and Commonwealth Office (FCO) advises you not to travel, for example where the FCO advise against all but essential travel to an area affected by Coronavirus, COVID-19, Severe Acute Respiratory Syndrome (SARS-COV-2) or any mutation of Coronavirus, COVID-19 or SARs-COV-2.

**PLEASE NOTE: This is a travel insurance policy and not private medical insurance.** The intention of this policy is to pay for reasonable and necessary costs for emergency medical, surgical and hospital treatment including an ambulance to take you to hospital. # Has your situation changed since you bought this policy?

Your esure travel insurance policy is here to cover you for any sudden and unforeseen accidents, illness, loss or damage which is beyond your reasonable control, and you would have been asked when you paid your premium if you were aware of any circumstances which could possibly result in you having to make a claim; so you must also tell us if anything happens between the date you bought the policy and the start of your trip that might mean that you have to claim on the policy.

We are reasonable people, and we want you to feel reassured that you've 'got it covered' but we are not mind readers; so please, give us a call - if you don't you could find your claim is limited or turned down, and we don't want to be the bad guys, we want you to have the right cover.

So, you should tell us if you have visited a medical establishment because of:

- a change in your health;
- a new diagnosis;
- a new course of treatment;
- a change in medication;
- a referral from a GP to a clinic, hospital or specialist for tests.

If we feel that anything you tell us might increase the chances of a claim, we may ask you to pay an additional premium, or we might change the policy terms. If we feel that the increased risk is too great, we might tell you that we cannot cover you at all.

If you do have to tell us about a change in your health that has occurred since you bought your policy please give us a call on: **0345 600 3950**

# If you have a medical emergency while you are away

**Call an ambulance using the local equivalent of a 999 number, or alternatively by dialling 112 within the EU.**

Please contact our 24 hour assistance service, provided by tifgroup-assistance, as soon as you can on

**+ 44 (0) 203 926 0272**

or email: [operations@emergencyassistance.co.uk](mailto:operations@emergencyassistance.co.uk)

**Please be aware that this is a travel insurance policy and not private medical insurance, therefore it does not cover any medical expenses incurred in private facilities if adequate public facilities are available, unless specifically authorised by the tifgroup-assistance team.**

Public facilities in most countries are best equipped to deal with your immediate clinical needs and your long-term recovery. As the emergency service the local population relies on, they have access to the best doctors and the best equipment, they are open 24 hours a day and they are regulated.

If you are taken to a private facility, call us immediately and we will advise what options are open to you. We will deal with any requests for payment from the private facility so you should resist any attempt from them to make you pay anything.

The tifgroup-assistance team is available 24 hours a day, 365 days a year to assist you, and whilst the actual medical care you receive is in the hands of the local doctors attending to you, we can obtain the medical information we need from them to establish what is wrong, as well as their treatment and discharge plans.

The tifgroup-assistance team will advise on, and can put in place, suitable repatriation plans to get you home as soon as it is medically safe to do so. We will liaise with the treating doctor to get a fit to fly certificate when needed, and with aero-medical experts who will advise on both the timing and method of repatriation that is best suited to your individual needs and your recovery.

If you would like to know more about our approach to the best medical care overseas and repatriation planning, please visit our website [philosophies.tifgroup.co.uk](http://philosophies.tifgroup.co.uk)

Your best medical interests accounting both for immediate medical needs and for your long-term health are at the very heart of any recommendations made by the tifgroup-assistance team.

**The tifgroup-assistance team will need the following basic information:**

- the patient's name and age, as well as, as much information about the medical situation as possible, including where the patient is being treated and the name of the treating doctor.
- tell them that you have esure Essential Travel Insurance, the policy number and the date it was bought; and
- the patient's UK GP contact details in case they need further medical information.

**Things to be aware of/remember:**

- this is a travel insurance policy and not private medical insurance, therefore it does not cover any medical expenses incurred in private facilities if adequate public facilities are available, unless specifically authorised by the tifgroup-assistance medical team.
- NEVER give your passport to a clinic or hospital.
- you may be required to obtain your medical records in the event of a claim.
